Autumn to winter, winter into spring
Spring into summer, summer into fall -
So rolls the changing year, and so we
change;
Motion so swift, we know not that we
move.

A time to be born

A time to die

A time to plant

A time to reap

A time to kill

A time to heal

A time to laugh

A time to weep

A time to dance

A time to mourn

A time to cast away stones

A time to gather stones
together

A time of love

A time of hate

A time of war

A time of peace

A time you may embrace

A time to refrain from embracing

A time to gain

A time to lose

A time to rend

A time to sew

A time to love

A time to hate

A time for peace

I Swear It's

Dedication

Here is the ghost of a
summer that lived for us
Here is a promise of
a better future
— E. Henry

Summer practices were ... blood ... sweat ... tears ... sore muscles ... sun-burn ... freckles (for some) ... morning dew ... bruises ... laughs ... mistakes ... drills ... exercises ... tired feet ... acrobatics ... new plays ... new routines ... new cheers ... new marches ... yet, always striving for perfection.

S. Powell, J. Ford, J. Lough / Boys' State.

T. Hedrick, M. Rollins, J. Ross, (M. Parrill, not pictured) / Leadership Camp.

Summer camps were full of ... lost articles ... terrible food ... fun ... excitement ... homesickness ... dirty rooms ... new friends ... crabby counselors ... early mornings ... late nights ... but most of all, new found knowledge!

J. V. Camp

K. Newbrough, P. Cornwell, (C. Pick, D. Fennell, not pictured) / Journalism Camp.

S. Robinson, S. Williams, (E. Orr - not pictured) / Girls' State.

Yearbook arrival meant ... autographs ... last year's excitement relived ... seeing friends again ... collection of memories never to be forgotten!

Majorette Camp

Tears, idle tears, I know not
what they mean.
Tears from the depth of some
divine despair
Rise in the heart and gather
to the eyes,
In looking on the happy autumn
fields
And thinking of days that are
no more.

- Tennyson

Three years of challenges we've failed and met?
We've had our fling this senior year
All we have left is life to fear.*

This book is dedicated to me the student: the conservative, the liberal, the activist, the pacifist, the spectator, the performer, the athlete, the scholar. For only all these will justify the existence of me.

We would like to thank Mr. Gene Gary and Mr. Robert Nichols for all of their assistance during the past year.

We would like to thank our advisor, Mrs. Alice Rowe, for her patience, understanding and hard work.
